Free Robux is where I get the feeling. The reason why I get the feeling is because of the way Google ranks websites. First off, in order to rank high in search engine results, you have to pay for the rights to your website. Usually this happens in the form of a 'paid inclusion' or a 'non-paid inclusion'. If you're paying, you have to have a ...

Roblox is a game where you can play games with friends that other players have created. Overall, I think Roblox is a great game, but like every other game, it probably would need some changes or parts that should be looked at more. This is for Roblox in general, because I know you guys don't have much control over the games individually.
